# Supplemental Instructions and Completed Example of Form 990-PF

This part of the instructions provides a set of facts and a filled-in example to help you prepare a complete and accurate Form 990-PF.

The illustrated example was prepared using the following facts:

- 1. The Oak Foundation, Inc., was created by the Oak Manufacturing Co., Inc., which made an initial gift of \$100,000 (\$95,000 in cash plus 1,000 shares of Neptune, Inc. stock valued at \$5,000) when the foundation was incorporated. Before 2000, Oak Manufacturing Co., Inc., was the only substantial contributor to the foundation. The Oak Manufacturing Co., Inc., did not make a contribution to the foundation in 2000.
- 2. The foundation was incorporated February 15, 1968, and recognized as an exempt organization described in Code section 501(c)(3) on June 1, 1968, at which time it was issued a determination letter. It was classified as a private nonoperating foundation on October 15, 1970.
- **3.** The foundation's investments consisted of \$250,000 in certificates of deposit and \$72,000 in stocks at the beginning of 2000.
- **4.** The foundation purchased office equipment for \$3,000 on June 3, 1996, and is depreciating this equipment on a straight line depreciation method using an estimated life of 10 years.
- **5.** Total revenue recorded on the foundation's books for the year consisted of:

Gift from Ms. Carroll Haggerty on 5/18/2000	\$	16,000
Gift from Ms. Rachel Patton on 12/7/2000		15,000
Other contributions (none substantial)		10,000

Total revenue	\$	61,000

**6.** The expenses paid by the organization during the year consisted of:

Grants made:

Allen Reid Museum of Fine Arts 31 Meyers St., Atlanta, GA. a private operating foundation under 501(c)(3) and defined \$15,000 in 4942(j)(3) Moore-Price Clinic 1111 Jordan Ave.. College Park, GA, a publicly supported hospital under 509(a)(1) and described in 170(b)(1)(A)(iii) 15,000 Ervin Guinn Institute 198 Long Blvd., Stone Mtn., GA, a publicly supported college under 509(a)(1) and described in 10,000 170(b)(1)(A)(ii) Blue Circle of America Washington, DC, a publicly supported charity under 509(a)(1) and defined in 170(b)(1)(A)(vi) 5,000 Total grants and contributions paid \$45,000 Total expenses, grants, and contributions paid \$49,720

The foundation purchased 500 shares of Venus Corporation stock from other than a disqualified person for \$4,000 during the year. The purchase is not included in the \$49,720 of expenses, grants, and contributions paid in the year. Also not included in this total is the \$300 of depreciation on office equipment referred to in Item 4 above.

- 7. On the basis of time devoted to particular activities, 60% of the foundation's expenses were allocated to its exempt purpose and 40% to the production of investment income. However, no allocation was required for the \$100 cost of preparing the Form 990-PF because this expense is considered to relate only to the foundation's exempt purpose.
- 8. The balance in the organization's checking account at the beginning of the tax year was \$1,100. The average monthly balance in the account for the year was \$3,550. The average monthly fair market value of the foundation's securities—stocks and certificates of deposit—was \$322,000.
- **9.** The excise tax on net investment income imposed under section 4940 is the only tax due with this return. No other Chapter 42 taxes apply this year.
- **10.** In 1999 the foundation's qualifying distributions exceeded the distributable amount for that year by \$2,100. This

amount is available as an excess distributions carryover to 2000.

11. Grant approved for future payment but not distributed in 2000:Dr. Clark Eller101 Gore Ave., Atlanta, GA 30311,\$2,000 for postdoctoral studies in physics at Georgia Tech.

The foundation previously applied for and received advance approval of its grant-making procedures under the procedures set forth in Regulations section 53.4945-4(d).

- 12. A grant of \$15,000 was made to the Allen Reid Museum of Fine Arts to cover part of the costs of renovation and expansion of the museum facilities. The grant was made according to established requirements for expenditure responsibility under section 4945(h).
- 13. The Neptune, Inc. stock is publicly traded. It had a market value of \$4,750 on December 31, 1969. When the stock was donated in 1968, the foundation entered it on its books at \$5,000, the fair market value on the contribution date. The donor's basis in the stock was \$5,300. The foundation sold the stock through a broker on March 3, 2000.
- **14.** The foundation is on the cash receipts and disbursements method of accounting and uses a calendar year accounting period.
- 15. The foundation rents space in an office building owned by an unrelated section 501(c)(4) organization for less than fair rental value. Except for that transaction, the foundation did not engage in any transfer of assets or other transactions with a section 527 (political) organization or with other section 501(c) organizations not described in section 501(c)(3) of the Code. Neither is the foundation directly or indirectly affiliated with or related to any such organization.

## Part I—Analysis of Revenue and Expenses

**Line 1, column (a).** We have entered the gross amount of contributions, gifts, grants, etc., received during the tax year.

**Line 3, columns (a) and (b).** We have entered the interest income received during the tax year.

**Line 4, columns (a) and (b).** We have entered the dividend income received during the tax year.

**Line 6a, column (a).** We have entered the gain as reflected in the books on the sale of the Neptune, Inc. stock.

**Line 6b.** We have entered the gross sales price of Neptune, Inc. stock whose net gain is reflected in line 6a.

Line 7, column (b). We have entered the capital gain figure from Part IV, line 2. The basis for computing the gain in this case is the donor's basis (under the rules of section 1015), since that figure is greater than the December 31, 1969, fair market value.

Line 12, columns (a) and (b). We have entered the totals of lines 1 through 11.

Line 13, columns (a), (b), and (d). We have entered compensation of officers.

**Note:** Columns (b) and (d) reflect the 40% and 60% allocation of expenses that apply to the production of investment income and the exempt purpose function, respectively.

Line 14, columns (a), (b), and (d). We have entered other salaries and wages in column (a). We allocated 40% of those expenses in column (b) and 60% in column (d).

Line 16, columns (a), (b), and (d). We have entered the total accounting expenses in column (a), and made an allocation in columns (b) and (d). The allocation for this line is based on \$200 of allocable expenses and \$100 of nonallocable expenses. Column (b) is 40% of the \$200 allocable expenses. Column (d) is 60% of the \$200 allocable expenses plus the \$100 accounting fees (which are not allocable) for preparing Form 990-PF.

Line 18, column (a). We have entered the amount of excise tax on investment income paid with the 990-PF filed for 1999. This is not an expense to be allocated between the exempt purpose function and the production of income.

Line 19, columns (a) and (b). We have entered the amount allowable as a deduction for depreciation of office equipment,  $\$3,000 \times 10\%$  (10-year life) equals \$300. Column (b) reflects the allocation for the production of investment income.

Line 20, columns (a), (b), and (d). We have entered the expense for office rental. The remaining columns reflect the allocation between the production of income and the exempt function.

Line 23, columns (a), (b), and (d). We have entered the total other expenses in column (a). Columns (b) and (d) are allocated as follows: Column (b) is 40% of the \$300 of allocable expenses. Column (d) is 60% of the \$300 allocable expenses.

Line 24, columns (a), (b), and (d). We have entered the total of lines 13 through 23 for each column. Columns (b) and (d) represent the allocation of the operating and administrative expenses for the year between the production of income and the exempt function.

Line 25, columns (a) and (d). We have entered the total contributions, gifts, and grants paid out in both columns. This disbursement is for the exempt purpose of the foundation and no allocation is required in column (d).

Line 26, columns (a), (b), and (d). We have entered the total of operating and administrative expenses and contributions, etc., for the year. The necessary allocations are shown in the totals for columns (b) and (d).

Line 27a. We have entered the excess of revenue over expenses (line 12 less line 26, column (a)).

Line 27b. We have entered the net investment income (line 12 less line 26, column (b)).

Line 27c. We have entered "N/A." This column does not apply because the Oak Foundation is a nonoperating private foundation and had no income from charitable activities reportable on lines 10 and 11 of Part I.

#### Part II—Balance Sheets

We have prepared balance sheets that correctly reflect the organization's assets, liabilities, and net assets at the beginning of the tax year and at the end of the tax year. The end-of-year fair market value of all assets is shown as well.

#### Part III—Analysis of Changes in Net Assets or Fund Balances

This section is used to show the \$10,980 increase in net assets of the foundation as shown in Part I, line 27a.

# Part IV—Capital Gains and Losses for Tax on Investment Income

We have entered the long-term capital gain from the sale of the Neptune stock. We used the donor's basis, \$5,300, to figure the gain on the sale of the stock under Code section 1015. We would have used the fair market value on December 31, 1969, \$4,750, under the special rule of section 4940(c)(4)(B) if it had been higher than the donor's basis.

# Part V—Qualification Under Section 4940(e) for Reduced Tax on Net Investment Income

We have checked the "No" box to indicate that the foundation was not liable for the section 4942 tax during the 5 base-period years.

**Line 1, column (b).** We have entered the adjusted qualifying distributions for each year in the base period.

**Line 1, column (c).** We have entered the net value of noncharitable-use assets for each year in the base period.

Line 1, column (d). We determined the distribution ratio for each year in the base period by dividing column (b) by column (c) and have entered the ratio for each year.

**Line 2.** We have entered the total of the amounts from line 1, column (d).

**Line 3.** We divided the amount on line 2 by 5 and have entered the result.

**Line 4.** We have entered the net value of noncharitable-use assets for 2000.

**Line 5.** We multiplied the amount on line 4 by the payout ratio on line 3 and have entered the result.

**Line 6.** We have entered 1% of the amount from Part I, line 27, column (b).

**Line 7.** We have entered the total of lines 5 and 6.

**Line 8.** We have entered the qualifying distributions for 2000 from Part XII, line 4.

Because line 8 is more than line 7, the foundation qualifies for the reduced 1% tax on net investment income for the year.

## Part VI—Excise Tax Based on Investment Income

Line 1. We have checked the box on line 1b and entered the excise tax on investment income (1% of the net investment income shown on line 27b of Part I). We then brought the amount to lines 3 and 5.

**Line 9.** We have entered \$179, which is the amount of tax due. This amount must be paid in full when the return is filed.

# Part VII-A—Statements Regarding Activities

Every statement in this section should be answered "Yes," "No," or "N/A" (not applicable). In addition, statement 8a should list all the states that require a report from your organization. We have attached a schedule for line 10 listing the names and addresses of the two persons who became substantial contributors in 2000.

# Part VII-B—Activities for Which Form 4720 May Be Required

We answered "Yes" to question 1a(4) because of the \$600 salary paid to the foundation's secretary-treasurer. We answered "No" to question 1b because the salary meets the "reasonable compensation" exception to self-dealing.

# Part VIII—Information About Officers, Directors, Trustees, etc.

**Line 1.** We have listed the names and other data for the foundation's officers, including the compensation of the secretary-treasurer for 2000. Lines 2 and 3 do not apply so we have entered "None."

## Part IX-A—Summary of Direct Charitable Activities

Because there were no direct charitable activities, we entered "N/A."

#### Part IX-B—Summary of Program-Related Investments

We entered "N/A" because the foundation engaged only in grantmaking activities rather than direct charitable activities (as defined in the instructions for Part IX-A).

## Part X—Minimum Investment Return

We have computed the minimum investment return for 2000 using the information provided.

## Part XI—Distributable Amount

This section provides the computation for the distributable amount for 2000. The distributable amount in this example is the minimum investment return minus the tax on net investment income for 2000.

#### Part XII—Qualifying Distributions

**Line 1a.** The amount from Part I, column (d), line 26, is entered here. Because there are no additions from lines 1b, 2, or 3, the amount is entered on line 4.

**Line 5.** Because this foundation qualifies for the section 4940(e) reduction in tax, we have entered "179" (1% of net investment income).

**Line 6.** We subtracted line 5 from line 4 and entered the difference on this line.

#### Part XIII—Undistributed Income

**Line 3e.** We have entered the excess distributions carryover from 1999.

**Line 4.** We have entered the qualifying distributions for 2000 from Part XII, line 4.

**Line 4d.** We have entered the amount applied to the 2000 distributable amount.

**Line 4e.** We have entered \$31,741, the remaining amount distributed out of corpus. To get this amount, we subtracted the amount on line 4d from the amount shown on the memo entry for line 4 (\$47,680 minus \$15,939).

**Line 5.** We have entered -0- because there is no excess distributions carryover applied to 2000.

**Line 6.** We have entered the net total of corpus on line 6a and zeroes for the rest of line 6.

**Line 7.** We have entered -0- because there were no distributions applicable under these Code sections.

**Line 8.** We have entered -0- because there was no excess distributions carryover from 1995

**Line 9.** We have entered the excess distributions carried forward.

**Lines 10d and 10e.** We have entered the excess distributions from 1999 and 2000 as an analysis of line 9.

#### Part XIV—Private Operating Foundations

We have entered "N/A" (not applicable) in this section since the information required here applies only to private operating foundations. The foundation in this example was classified as a private nonoperating foundation.

## Part XV—Supplementary Information

**Lines 1a and 1b.** These lines do not apply. **Line 2.** We have included the information required.

**Line 3a.** We have listed the names and addresses of recipients; purposes; and amounts of all contributions and grants paid out during the tax year.

**Line 3b.** This line contains information on the one grant approved for future payment.

## Part XVI-A—Analysis of Income-Producing Activities

**Lines 3 and 4.** We have entered the amounts received from interest and dividends and designated the proper exclusion code.

Line 8. We have entered the gain per books from the sale of the Neptune stock and entered the exclusion code applicable to capital gains that are not taxable as unrelated business income. We did not enter the smaller (\$700) gain computed using the donor's basis because that computation is reflected in column (b) of Part I, whereas Part XVI-A includes only amounts reported in column (a) of Part I. If the foundation had reported other capital gains on line 6 of Part I that were not reportable in column (b) of Part I, those gains would also be reportable in Part XVI-A.

# Part XVI-B—Relationship of Activities to the Accomplishment of Exempt Purposes

We entered "N/A" because the foundation did not have any exempt function income to report in column (e) of Part XVI-A.

# Part XVII—Information Regarding Transfers To and Transactions and Relationships With Noncharitable Exempt Organizations

We have entered "Yes" on line 1b(3) because the foundation rents space in an office building owned by the Civic League of Atlanta, an unrelated section 501(c)(4) organization, for less than fair rental value. To the remaining questions for lines 1 and 2, we answered "No" or "N/A."

#### PART VII-B, QUESTION 5c, TAXES ON TAXABLE EXPENDITURES

Information relating to grants subject to expenditure responsibility:

Grantee—Allen Reid Museum of Fine Arts, 31 Meyers St., Atlanta, GA 30301.

Date paid—April 7, 2000. Amount—\$15,000.

Purpose—For the partial support of a major renovation and expansion of the museum facilities.

Amount of grant spent by grantee—\$15,000.

Diversion—To the knowledge of the Foundation, and based on the report furnished by the grantee, no part of the grant has been used for other than its intended purpose.

Date of report for grantee—Final report January 8, 2001.

In addition to its own report covering the use of grant funds, the grantee furnished an independent auditor's report of its operations for its fiscal year ending September 30, 2000. Since this latter report verified the information provided by the grantee, The Oak Foundation, Inc., deemed further verification of the grantee's report unnecessary.

#### PART XV, LINES 2b and d

- b Individual applicants should submit a brief resume of academic qualifications. For research grants, include an outline of the proposed investigation and a proposed budget.
- Preference is given to Georgia residents and charitable organizations. Most grants are made for educational purposes but, to the extent that funds are available, grants may be made for other purposes and to individuals and organizations in other states. No more than \$5,000 is granted to any one person over a 4-year period. Grants to organizations are not more than \$25,000 to any one organization in 1 year.
